SUMMER 2005

Camp is for Kids...or is it?

By Kurtis A. Buelmann - Executive Director

“We haven’t been to LuWiSoMo for years since our kids grew up.” I wish I had a nickel for every time I heard something similar to this. Actually, I wish I didn’t hear it at all since it is based on a misconception, namely that “camp is for kids.” Sure, LuWiSoMo is best known for its fun-filled, action-packed camps for youth and children, especially throughout the summer. But it doesn’t stop there. Camp is for “big kids” too! In fact, sometimes I think the adults need camp more than the youth!

Most people I talk to seem to make reference as to how busy they are at some point. I think we play right into the devil’s trap: If he can’t make you bad, he’ll make you busy. It is almost as if we place a certain amount of our self-worth on how busy we are. We would do well to heed the advice Jesus gave to his disciples in Mark 6:31, “Come with me by yourselves to a quiet place and get some rest.” As I write this, a pastor’s wife is here at LuWiSoMo doing just that. I think LuWiSoMo is far under-

used by those of us who feel we are too busy to take some quiet time away from the stacks of paper, the e-mails, the

telephones, etc. We think our responsibilities at home and at the office are too important to leave. Our responsibilities are important, which is all the more reason to set aside intentional time to be refreshed so that we may approach our responsibilities with renewed vigor. LuWiSoMo is truly a blessing for us, providing an ideal setting amidst God’s beautiful creation.

April 17-23 was National Volunteer Week. Recently, we had a successful Spring Work Weekend here at LuWiSoMo with over 100 volunteers. I used to think that volunteering was merely a benefit for the camp until I received a letter from a volunteer thanking us for the opportunity. Volunteers at LuWiSoMo have the opportunity to break away from their busy routines, stretch their muscles, and enjoy some Christian fellowship. We are very thankful for **all** the volunteers that help further the Lord’s ministry at LuWiSoMo. I won’t even begin to try to name them for so many people have given their time and talents, I would surely miss someone. These volunteers chop and haul firewood. These volunteers build cabins. These volunteers fold, tape, and label mailings. (This newsletter you are reading was brought to you thanks to a volunteer!) These volunteers mortar broken walls. These volunteers clean and paint. These

“Time to Pray” - Confirmation Retreat Report

By Rev. Kurt Ziemann - Immanuel Lutheran, Town of Scott and St. Stephen’s Lutheran, Batavia

In a polling sample of 121 mostly confirmands and their adult chaperons, 65% said they spend less than 54 minutes in prayer a week. 25% said they spend an average of 54 minutes in prayer a week. Put them together and the survey shows that a total of 89% said they spend 54 minutes a week or less in prayer. As one youth put it, “I spend

more time playing video games in one day than in prayer for a whole week.” Only 10% felt they spent more than 54 minutes in prayer in a week, and this was represented mostly by the adults who answered this question.

Does this surprise you? It shouldn’t. Consider all the distractions this world

throws at our youth. Consider how tired they are from homework, sports, and activities. Consider how tired adults are after long hours spent working and chasing. Would the number be any different in your church or confirmation class?

Camp LuWiSoMo Needs Your Help

Camp LuWiSoMo is in need of your help!

Are you looking for an opportunity to volunteer? Are you trying to find a way to send your child or children to camp without paying full price? Are you looking for something to keep you busy this summer? If the answer to any of these questions is "yes", then Camp LuWiSoMo is your place.

We are in need of volunteers for the following programs this summer. If you are interested, please contact our office today for details including available discounts for summer programs.

What is the Health Care Provider of the Week Program?

If you are interested in becoming one of our Health Care Providers of the Week (we need two Health Care Providers for most weeks), we ask that you split the duties of being our Health Care Provider for the week. One Health Care Provider will always be on call. You will be in charge of collecting and dispensing medications that the campers need to take, according to their doctor's prescription.

We also ask that you participate in camper registration on Saturday and Sunday afternoons, so that you have the opportunity to meet with the parents of those campers who require medication during the week. If any camper should require serious medical care, there is a hospital located just five miles from LuWiSoMo.

Those who qualify include a Wisconsin Licensed Physician, R.N., Physician Assistant, and L.P.N. An E.M.T. or Paramedic may serve in conjunction with one of the above. The Health Care Provider normally arrives on Sunday afternoon and stays until the following Sunday.

What is the P.O.W. program?

The Pastor Of the Week Program is designed to enhance the Summer Camp Program at LuWiSoMo and at the same time allow for LC-MS Pastors to enjoy quality time with their families.

The responsibilities of the P.O.W. include leading Bible studies for various groups, leading morning chapels for the campers and leading a worship service on Saturday.

The P.O.W. normally arrives on Sunday afternoon or evening and stays until the end of the Saturday evening 7:00 p.m. worship service, in order to avoid missing any worship services at their home congregation.

What is the C.H.O.W. program?

If you are interested in becoming one of our Cook's Helper Of the Week (we need one Cook's Helper for each week), we ask that you would work with the regular cook for two meals a day. It could be breakfast and lunch, lunch and supper, or breakfast and supper. We ask you to help with food preparation, clean up, and serving. We also ask you to help keep the LuWiSoMo food service operation running smoothly. It is our goal to give preference to homemade foods and serve tasty meals to our campers. You can eat with your family when they come in if you like.

What is the M.O.W. program?

The Maintenance helper Of the Week assists LuWiSoMo's maintenance staff with the continual upkeep of the buildings and grounds during LuWiSoMo's busiest season by volunteering around six hours each day. Projects will depend on your interest and areas of expertise as well as the specific needs during your week.

volunteers lead Bible studies and devotions. These volunteers mend wounds and dispense medication. These volunteers cook and serve meals. These volunteers chauffeur and chaperone youth. These volunteers spread the news about opportunities at LuWiSoMo. And the list goes on. LuWiSoMo offers many opportunities for volunteering, and this is a win-win situation, a blessing for both the volunteer and the camp.

I hope you take the opportunity to get away from it all and spend some quiet, restful time at LuWiSoMo. Whether you just need a break, or you want to volunteer your time and talent, LuWiSoMo provides an excellent atmosphere to be refreshed, not only physically and emotionally, but also spiritually through God's Word and through the Gospel message of Jesus' death and resurrection.

Would You Believe There's Still a "Free Lunch"?

by Marilyn Hebert - Volunteer

That's right.....A FREE LUNCH!

Camp LuWiSoMo is always in need of volunteers. In March 2005, nearly 10,000 newsletters were prepared and sent out. Each newsletter needed to be folded, taped, and labeled. Fifteen volunteers showed up. Most of us were senior citizens with some free time on our hands and a warm spot in our hearts for friendship, along with love for our Lord and neighbors. The work starts about 8:00 am and ends at 4:00 pm, but we are free to make our own hours. Any amount of time given is so greatly appreciated by the staff.

The best part of the day comes at noon when we go to the cafeteria for lunch. Good food and companionship with old and new friends makes for a pleasant meal. Then it's back to folding, taping, and labeling.

Do our fingers get sore? Does our back ache? Do we miss our afternoon nap? The answer is "yes" to all of these questions. You might ask why bother to volunteer if it involves personal discomfort? Because it's fun, that's why!

Chatter and laughter ring throughout the Chapel all day as our aging hands are kept busy with work. We know that many families and children will benefit from what we do. It's a good feeling to arrive home tired and happy but looking forward to the next time we are needed.

My husband and I retired from our jobs in Milwaukee, where we had lived and raised our five children. We moved to

the Wild Rose area about nine years ago. Our lives are full and busy. Volunteering is number one on our list. It's an opportunity to give back to those who need you. Just try it, you'll like it! And don't forget, LUNCH IS FREE.

From the Mailbox

Hello LuWiSoMo!

Many treasured memories were made at this camp when I attended years ago while at grade school at St. Peter's Reedsburg. I haven't been back to camp in years but try to keep up on the news. Your additions sound amazing! I've been very blessed in life and now work in radio sales—it's a slow building process, but emptied my savings jar the other day and wanted to send a small contribution—it's not much, but could it be used for something related to music? My friends and I loved the campfire times and sung those songs year-round for years! Thank you for all you and your staff do to enrich our lives with Christ's Word.

One of the things I remember most often is a devotion we had on Med

Hill—probably late 80's, early 90's—about the Lord's Prayer. We dissected each section, and to this day, I do that sometimes when I pray the best prayer there is. It helps me slow down and think about the meaning of those words.

I remember scavenger hunts in the Chapel, singing during dinner, canoeing on the lake, fish

biting my feet as well, and getting a new sweatshirt every summer. Please continue what you do, and someday when I'm married with kids, I hope to send my children to camp there as well. It truly was a magical, blessed experience.

God bless you and Camp LuWiSoMo!

LuWiSoMo Seeks Ambassadors

LuWiSoMo is looking for at least one person in each congregation to be a LuWiSoMo Ambassador. As a LuWiSoMo Ambassador, you will receive all of LuWiSoMo's brochures as they come out, as well as news blurbs for bulletins and newsletters. The job of the LuWiSoMo Ambassador is to get the message out to the rest of your congregation. That's it. Put the brochures out in the narthex. Make sure the news blurbs make their way to whoever compiles the bulletins and/or newsletters. And there are no strings attached. If you later decide you no longer want to be a LuWiSoMo Ambassador, just let the LuWiSoMo office know.

If you are willing to be a LuWiSoMo Ambassador for your congregation, please call or e-mail the LuWiSoMo office today!

Youth and Adults Learn How to Pray

CONTINUED FROM PAGE 1

These weren't deviant youth stuck in some juvenile delinquent facility. These weren't their armed adult guards either. This group wasn't even running around town breaking curfew or causing disturbances in the malls. No, this group had a purpose. They were learning how to pray. They were learning how to pray at Camp LuWiSoMo.

It seemed to me most of these sixth through eighth graders weren't satisfied with 54 minutes of prayer. That's the impression I got as they moved from sectional to sectional learning about prayer, especially the Lord's Prayer. These sectionals were led by pastors of the South Wisconsin District. They sang songs to the King, too. The Word was proclaimed in our Saturday worship service. They prayed.

Church and study brought new insights and learning. Each challenged these confirmands and their adult leaders to take advantage of the gift of prayer.

Camp LuWiSoMo

was the perfect place to pray that weekend. Camp LuWiSoMo was the perfect place to retreat from the distractions of life and focus on Christ and the prayer He taught us to pray.

But that wasn't the only thing they were doing. You would have seen a bunch of them battling it out on the frozen lake in some free time fun. It was broom hockey at its finest as confirmand and pastor dueled it out for ice supremacy. Then there were those creating snow sculptures on the snow covered soccer

field. There was a giant snow caterpillar symbolizing the resurrection. There was a snow manger scene. There were snow bears and other works of art that would

have made any sculptor proud. There was snow tubing, foosball, and more. You would have thought they were attending a Winter Adventure Weekend, which also comes highly recommended.

"No, this group had a purpose. They were learning how to pray."

Confirmation retreats at Camp LuWiSoMo – it doesn't get much better than this. It was a high point for my group; it would be a high point for yours. And you know, there is the possibility that because of this weekend at camp, there is a teenager or an adult chaperon who has found time to pray.

Howard and Bernice Hang Up the Work Clothes

By Doria Martin - Development Assistant

The Camp LuWiSoMo Staff and the Board of Directors would like to take this opportunity to congratulate Howard Herold and Bernice Baranowski on their retirements.

Howard and Bernice have both been great assets to Camp LuWiSoMo for the past fourteen years. Their hard work and servant hearts set a great example for all Christians.

Several years ago, while Bernice was listening to announcements after the service in her quaint, country church, Immanuel Lutheran, Mt Morris, there was an announcement that Camp LuWiSoMo was in need of a temporary part-time cleaning person. If anyone was interested they were asked to raise their hand and they would be provided with more information regarding the position. Bernice suddenly realized her hand was in the air (which she believes was the work of the Holy Spirit) and the rest is history. She started the

"temporary" position of housekeeper and fourteen years later, she decided to retire at the end of last year and spend time with her close friends and family.

Bernice continues to reside near Wautoma on Lake Alpine. She also spends time in Milwaukee with her family on a regular basis. She is very active helping out at her church and loves to bowl on a weekly ladies league! Bernice is always willing to volunteer time on mailings at Camp LuWiSoMo, so we will still have the pleasure of seeing her smiling face.

Howard found his way to Camp LuWiSoMo through the same little church, Immanuel, Mt Morris. The director of Camp at that time, Scott Hirssig, met Howard at church. Knowing that Howard was recently retired, yet very active, Scott approached Howard and asked if he would be interested in a part-time position in the maintenance department at camp for

awhile. Howard decided to try it, and as you know, Howard has also been with Camp LuWiSoMo for almost fourteen years. Every summer, he was the guy who kept the grass mowed and looking great!

Howard and his wife, Florence, have lived on Lake Irogami, near Wautoma for the past 23 years. However, they recently made the decision to sell their home and purchase a condo in Port Washington, near their daughter. Howard retired in mid-March and on Easter weekend they moved to their new home. They will be missed by all at camp, in their church, and community.

We would like to say thank you to these two wonderful people who have touched the lives of so many here at Camp LuWiSoMo and wish them all the best in their retirements.

God's blessings to them both!

Golf Tournament Date Announced

Last September, sixteen individuals took an entire day to hack away at golf balls.

These dedicated volunteers took time out of each day over a twelve week period to raise sponsorship for their day of hacking away. Each individual golfed 100 holes and together the group raised over \$33,500 for camper scholarships.

This September, you have the opportunity to help raise even more funds for camper scholarships. This year's golf event will be held on **September 17, 2005**. We look forward to your participation as we try to raise \$75,000 for camper scholarships.
