LuWiSoMo Youth & Joyful Hearts 2020 Summer Camps

After much careful and prayerful thought, our board of directors has concluded that at this time we have no reasonable effective means to ensure the safety of all campers, their families, and our ministry team during summer camps with regards to the potential spread of COVID-19, and as such, with safety being our top priority, we have no choice but to cancel all youth and Joyful Hearts camps this summer.

Our team will be reaching out to each of you who have registered to arrange a refund. Care for you and your safety is our first priority, but as you can imagine, the financial impact of this decision is difficult for LuWiSoMo. During this time, we continue without any operational revenue, yet remain committed to providing for our ministry team and face ongoing facility and maintenance costs. If you are able, please prayerfully consider making a portion or all of your registration a tax deductible donation to assist LuWiSoMo at this time, or making a special gift if you are able, as we strive to ensure His ministry at LuWiSoMo continues for generations to come. Thank you in advance for your help and support!

Know that we are praying for each of you and look forward to gathering together again soon once it is safe. We remain rooted and confident in His love and care, through faith in our Savior, the Living Christ, God with us!

God is our refuge and strength, an ever-present help in trouble. Therefore we will not fear, even though... Psalm 46

Campground | Camp Facilities | Family Weekend

We continue to monitor the changing health safety requirements and developments and are waiting to make decisions regarding the campground or Family Weekend in August. We hope to be able to safely open the campground this summer for families and small groups, presently scheduled to open May 29th, as well as make our summer camp cabins available for families who had hoped to be able to take part in summer camps. We pray we're able to gather for our annual Family Weekend Celebration, scheduled for August 7-9. Please watch our website or contact us for details.
