### **Your Gifts In Action**

Your gifts have been making a huge difference at LuWiSoMo and in the lives of many people!

Over 500 campers experienced LuWiSoMo this past summer, under the theme "No Other Name" (Acts 4:12) and staff led off-site summer day camps working with congregations in 3 communities.

Our Joyful Hearts ministry for those with developmental challenges continues to grow, with over 75 campers this summer and return of Winter Joyful Hearts in January.

Over the past 2 years, your gifts helped us retire over \$300,000 in debt, so we are now in a much stronger financial position to plan and move forward.

This has also enabled us to begin much needed reinvestment in LuWiSoMo - in the property, our ministry team, and those whom we serve.

We've been able to better appreciate our current team members, add to our maintenance team, formalize the Business Director position, and are interviewing for an Executive Director to focus on programs and development.

This past year we were able to replace some of our older water front equipment and utility vehicles, refurbish the summer camp cabins shower house, main camp roads, and interior of the old dormitory. Our goal is to finish the exterior of this building next year and rededicate it as the "Bunk House" to house staff in the summer and serve as additional lodging for retreat groups (32 guests) the rest of the year.

As we write this, the Retreat Center is getting a fresh coat of paint and plans are in the works to update all the door locks, replace the flooring in all the rooms, and add a stove in the guest kitchenette.
