## **Your Gifts In Action**

Normally we'd share here about how your gifts are impacting the lives of many people – youth summer campers and their families, our Joyful Hearts ministry for those with developmental challenges, churches, ministries and families via retreats and events for all ages – but as we all know, 2020 has been a very different year!

With COVID, there were no summer camps for youth or Joyful Hearts this past summer. Since mid-March retreats and events have been cancelled or rescheduled, and that's how the calendar looks into the foreseeable future.

So what has been happening and how are we putting your faithful gifts to work for God's ministry at LuWiSoMo?

While we've been apart, our ministry team has been very busy on projects to improve camp and make it better than ever for when we can all return and gather again.

With all the changes over the last decade, many of the needed infrastructure upgrades and property and facility work were unable to be addressed. That has now changed, and we're digging in!

Your gifts over the past several years repaid the huge debt to a more manageable level and helped resolve the financial situation. Now we're able to put your gifts to work on the much needed investments into facilities and property to ensure they are made ready to serve God's ministry at LuWiSoMo for many years to come.

We've also been investing in improving some of our program offerings based on input from last year's Visioning work. Our campground ministry was able to serve families most of the summer, allowing them time to recharge safely in God's beautiful creation.

See our **Fall 2020 Newsletter** for details of all your gifts have accomplished, what's in the works, and why we need your help. Right now, with ongoing basic expenses and investment in improvements needed, but no operating income, it is your gifts that are supporting LuWiSoMo and making the difference. Thank you for your faithful gifts ensuring ministry at LuWiSoMo now and for generations to come!
