Your Gifts In Action

Normally we'd share here how your gifts impacted the lives of many people at camp this past year – summer campers and their families, Joyful Hearts ministry for those with developmental challenges, congregation and family retreats and events for all ages – but as we all know, the last couple of years have been very different!

This summer was again different without our full offering of summer camps due to COVID, and many retreats and events were cancelled or rescheduled. However, our campground and family camp were open, and we're planning to return to full summer camps next summer. Registration is now open.

So, what's been happening and how are we putting your faithful gifts to work for God's ministry at LuWiSoMo?

With all the changes over the last decade, many of the needed infrastructure upgrades and property and facility work were unable to be addressed. That has changed now, and your gifts are what is driving that progress. We still have a way to go, but as your gifts are received, we're putting them right to work

Over the past several years, your gifts repaid the debt to a manageable level, which helped resolve the financial situation. Your gifts are now being put to work addressing the much-needed investment in facilities and property, ensuring they're able to serve God's ministry at LuWiSoMo for many years to come.

Your gifts are also being invested to improve some of our program offerings based on input from our visioning work.

See our **Fall 2021 Newsletter** for details of all your gifts are doing, what's in the works.

Right now, we continue to need your financial support as we work through these times and strive to return to "normal" ministry operations and plans for future growth.

With ongoing basic expenses and investment in improvements needed, yet little operating income coming in, it's your gifts and some grants that are supporting LuWiSoMo right now and making the difference.

Thank you in advance for your faithful gifts ensuring ministry at LuWiSoMo continues now and for generations to come!
