SERVE AS A 2027 SUMMER CAMP COUNSELOR

What would I do?

Summer Camp Counselors are responsible for a cabin of youth campers (Youth Camps) or serve as leaders and "Buddies" for one or two campers (Joyful Hearts Camps).

Counselors build community, lead daily camp activities, facilitate faith discussions, and work closely with fellow summer camp ministry team members to ensure an engaging and awesome camp experience for all campers.

Why serve as a Counselor?

Being a part of the Summer Camp Ministry Team at LuWiSoMo is life changing. I've made lifelong friends, shared and grown in my faith, and had an absolute blast while doing it. No other experience compares!
